2026 Sponsorship and Exhibitor Package

June 7-9, 2026 | Victoria Inn | Winnipeg, Manitoba

About the Summit Host

The Summit is proudly hosted by HelpAge Canada with guidance from the Interim pan-Canadian Community Leadership Council.

About HelpAge Canada – Founded in 1975, HelpAge Canada is the only Canadian registered charity and international NGO dedicated exclusively to partnering with community organizations and the older people they serve to improve ageing equity and well-being. We are the national backbone of the Community-Based Seniors Serving (CBSS) sector, representing more than 10,000 organizations.

About Leadership Council – The Interim Pan-Canadian CBSS Community Leadership Council was established in 2024 and brings together representatives from all provinces and territories, as well as other diverse perspectives. The Council provides leadership and guidance on strategic initiatives to strengthen and advance the CBSS sector across Canada.

About the Summit

Building on the momentum of our inaugural 2024 gathering, the 2026 Summit brings together hundreds of community-based organizations from across Canada. It's a national opportunity to connect, learn from one another, and move from shared vision to coordinated action.

The gathering will build on insights from provincial and territorial consultations to strengthen the Community-Based Seniors' Services (CBSS) sector.

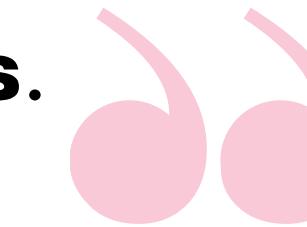

Our attendees: CBSS organizations and allies (healthcare organizations, academia and research, all levels of government, private sector)
